NDMHL TIE BREAKING

In the event of teams being tied at the end of the round-robin series, for any position, the following criteria will be used:

If Two Teams are Tied:

To determine the higher placed team, the following rules apply:

- A) The team with the most wins,
- B) ***if still tied***; the winner of the head to head game;
- C) ***if still tied***, the team with the best goal average;
 - Goals For divided by (Goals for + Goals against)= highest percentage = takes higher position
- D) ***if still tied***, the team with the least penalty minutes during the round round;
 - GM = 10 minutes, MP = 15 minutes, GRM = 10 minutes, Misconduct = 10 minutes
- E) ***if still tied***, coin toss

**If Three or More Teams are Tied OR
6 Team Playoff:**

- A) The team with the most wins;
- B) ***if still tied***, the team with the best goal average;
 - Goals For divided by (Goals for + Goals against)= highest percentage = takes higher position.
 - For example: Team "A" average is .700, Team "B" is .600 and Team "C" is .500, then the placing will be A,B,C
- C) ***if still tied***, the team with the least penalty minutes during round robin;
 - GM = 10 minutes, MP = 15 minutes, GRM = 10 minutes, Misconduct = 10 minutes
- D) ***if still tied***, coin toss
